

## **Staff appraisals and supervision meetings policy**

Staff appraisals are carried out once a year; with "catch ups" to check on any action points that have been/are being addressed. These "catch ups" take place once a term. These are completed so that any training needs can be addressed and met. They also maintain that both staff member and management are happy with how things are. These are carried out by the Manager of the setting.

The appraisals are stored in a secure folder, in a locked filing cupboard which is located in the locked cupboard at the hall.

Any points that arise from the appraisal meeting should be met by the next appraisal meeting, unless ongoing training is necessary.

Once a year the manager will receive a formal appraisal, this is completed by the chairperson. These are written up and stored in the secure folder along with the rest of the staff appraisals and supervision notes.

Through-out the year the Manager will inform the chair(s) of progress within the setting or any areas of concern.

This policy has been adopted by Tandridge Village Pre-School Committee.
